We do not guarantee exact color matching. Attempts to match specific PANTONE colors may accrue additional charges.

ACL is not responsible for damage which may accrue to original art or materials during the mounting or lamination process.

I hereby allow ACL to complete this job as desired above. Please sign here:

**Proof
Required**

Proof is produced on specified final production device. This is the most accurate method to assure final results. Please allow adequate time for any proofing required.

**Proof
Declined**

I understand that various output devices may produce different results regarding color. I accept ACL's judgement on any final output.
